Rally Tidbits

Welcome All!

From the Indiana Chapter of the SOITC:

We are looking forward to welcoming everyone to the national rally in Goshen. Members will find a lot of things to see and do in the area.

We have members that live in the vicinity and members that have visited the area frequently that can help with travel ideas, directions, and suggestions.

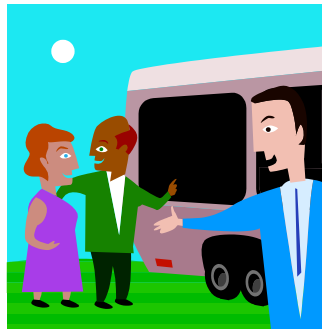

Please don't hesitate to ask.

If you don't have a state chapter you really should consider starting one! We have a great time at our rallies each year.

There are always interesting stories, new recipes to share and try, and someone almost always has some new game to share.

We hope everyone has a great time.

You can certainly count on good food, good entertainment, good friends and an all around good time.

Over 100 Suites!

More than 25 Sponsors!

Just one of the Workshops

Hi All,

I just finished designing and making up the 8 x 8 canvas wall hanging that I will be teaching at the Rally.

A couple of you have asked about size of pictures, so I wanted to show you so that you could see how the pictures fit on the canvas, the large picture is just a little under 4" x 6", and the others are around 2 1/2" x 4". (the length doesn't really matter since it will be covered up)

Your 4" x 6" pictures can be cut to fit the mat...just cutting out the main subject...or if you print at home you can print the size you want!

I will have 19 kits available, and hopefully you will be interested in taking the class, I'm sure you will enjoy it...bring scissors, tape runners, scotch tape, stapler, paper trimmers if you have them...I will be providing tools...but you will have to share. (don't worry if you don't know what some of the tools are...and don't go out and buy it...just bring it if you have it!)

Betty

Here is some Rally News from DRV. (Dan Tauer)

"I have talked with Justin from Winegard and he will be here on that Friday to talk about HD and satellites. I know there are many customers who are still confused of HD and how things are changing so fast in the satellite world.

Lippert will be here to talk frames, hydraulics, axles and Bob & Dale will be here to talk level up and suspensions.

**Winegard, HD, Lippert,
Level-Up, Dometic, & Lunch!"**

I have Frank from Dometic coming to talk about products and getting with Glen to come in and talk convection cooking and the Advantium cooking.....

DRV is going to have lunch at the factory and then go into the different suppliers for group discussions."

Good News!!! - WearHaus in coming to the Rally!

Everyone has been asking when will **WearHaus** be coming back to SOITC Rallies? Well here is the good news. **WearHaus** will be returning to the Suitesowners' Rally in **Goshen, IN June 2-7 2009**.

At Goshen, there will be a display of sample items with the logo and without the logo, so members may inspect them before placing an order at the Rally.

Since **WearHaus** is a supporter of SOITC, each sale supports our club treasury.

If orders are placed early in the week, they will be delivered with the logo by the end of the week. Display samples with and without logos include Men's Golf and T-Shirts, Jackets, Men's and Women's Denim Shirts and Vests, Ball Caps Throws (small blankets) and more.

As previously stated, orders at the Rally or phone orders will be taken prior to the Rally for delivery upon arrival. If unsure about size, call Rhonda Lambright and she will offer help and suggestions.

To see these high quality garments before arrival at the Rally, take a look at the **WearHaus** website.

www.wearhaus.net/DTsuite

and to order call or email
