<p>Suggestions/Comments</p> <p>We prefer full hook-up but this worked out fine. I would like to make sure DRV takes our suggestions for issues and proactively makes fixes to units. Light breakfast with something other than sugar would be nice.</p> <p>No dinners before 6 PM, sewer hook-ups, No enough food Pecan Creek.</p> <p>Please have meals later, not before 6 pm --- 4:30 – 5:00 is too early. Consider pre-dinner cocktail/happy hour. Overall, very enjoyable</p> <p>We enjoyed the rally very much. Well organized. Suggestions: number the tables and use a random number system to call tables for lines at dinner – more control over the lines.</p> <p>If caterer does not provide servers have volunteers to serve to help control portion size so</p>				

there is less chance of running out of food (Pecan Creek Catering) last 3 tables did not have choice of meatloaf, no salad, almost no green beans and no cobbler – very disappointing

More vendors, if possible, maybe survey members for suggestions like companies that sell on the road data plans, or cell phone boosters or ladies “stuff”.

Suggest that each region provide a gift for raffle table like a basket of regional foods or gifts cards

Use servers for all meals, if not provided by caterer, ask for club volunteers. This would help prevent running short.

Suggest vendors for technology such as Geeks on Wheels, Techno RV, etc.

Pecan Creek ran out of food with about 20 people left in line. NOT GOOD

Consolidate meetings

Make sure vendors show up and sponsor events

There was way too little food from Pecan Creek – very disappointing

I would appreciate a variety of donuts and a few cake ones, but I was thankful to have them

More female classes! Cooking Storage

Love Elk City Love Alicia and Slade

Open houses

Very enjoyable time. Well planned and organized. Portion serving at dinner so it ensures food left for people at the end of the line

How about more sessions for ladies like cooking, convection cooking, storage solutions

Open house to see other's rigs. Oklahoma was awesome

Be sure to have caterers serve the food so we do not run out.

Someone to advise us on internet, google photos, iphones, RV apps for traveling. Bring in Geeks on tour

RV safety – having the right smoke detectors, fire extinguishers & how many Stopping and driving safely

RV driving school for ladies

Band was great

For the catered food, suggest they distribute the food instead of self-service. The Pecan Creek meal ran out of food for the people towards the end of the line.

This year the meals were well-balanced – not too many and the right amount. The amount of presentations and crafts were well planned also. Thank you officers and committee people for a job well done. Appreciate all your hard work and planning. Had a great time! Really Great!

Have members sign up for rig tours – great ideas shared

Loved the band. Dance Lessons would be fun. Just right amount of meals & presentations

Loved Slim Pickins band. Have it more than one night.

Great Oklahoma Play. Loved the music by Slim Pickins Loved the play Nunsense

I wouldn't change anything. Perfect Rally

I enjoyed the meals, the crafts, the presentations, and amount of free time. Would not change a thing!! Great first rally!!!

For those items below the dinners, liked how it was.

Amount of meals, crafts, presentations, and free time was good as it was planned.

I think it was a good mix of everything

If planned to come to Elk City again, showers in the men's room and remodel ladies room.

Everything else was great. Great show.

Maybe something more for the uncrafty. Paul & Margie, Jody & Bill Great Rally

Thank you for the 6 and 6:30 dinner on an occasion. It could be very nice if we could

always do at least 6:00 dinner instead of 5:00. Also, if possible, it would be much fairer if

we had someone (us or vendor) serve the food. On 2 occasions items were all gone before everyone got through the line. We do not eat very much but it would be nice to have a little bit of everything available to people at the end of the line. Many Thanks to all who worked to make this rally possible.

We will check out Amana Iowa for an international rally.

We need a presentation for rig interior tip/tricks, storage, cooking, cleaning etc.

The amount of meals, presentations and crafts was good.

Free time was great. Lupe's was the best meal. Would return to the rally city location.

Convection oven classes and organization products demo

Elk City itself was good. Lupe's was the best meal. Convection oven classes and organization products demo.

Men's showers Techs were great A Real PLUS!!!

Meals were perfect as provided. Presentations, crafts etc. – program was perfect. Thank you

A sell/swap time where people can put items they have out of their rigs to sell or swap

Ladies get together to talk about hacks and tricks they have for storage or decorating or help enjoy their RV more (show and tell)

Craft show where people can sell their crafts for a few hours

Get together to talk about the good, bad, ugly of campgrounds they've stayed or where recommend especially those that have 45 foot RVs. Or maybe talk about different travel club memberships.

Free time was right amount. Need a lost/found box

Would have liked the gumbo with no seafood. I don't eat seafood. Enjoy the meals together. No problem off site & willing to pay for our own. Catering – needs to make sure there is enough for everyone. No laptop during presentations – distracting

Donuts too sweet. Need more variety. Bill Sims Great! Potlucks are always good! Lupe's was great! Great door prizes as always. Looking forward to Elkhart in 2019

Great Rally!!!
